2. Policy Intent

The National Integrity Framework seeks to ensure that everyone involved in Victorian Tasmanian Parachute Council (VTPC) activities are aware of their rights and responsibilities and sets out the standards of behaviour expected of those involved and the behaviours that are not acceptable (Prohibited Conduct).

The purpose of this Policy is to provide a framework to:

- ensure appropriately qualified personnel are appointed to provide science and medicine services to Athletes within VTPC sponsored activities and events;
- ensure Medications are used lawfully and appropriately;

In this Policy the following words have the corresponding meaning:

Activity means a competition, event, or activity (including training), whether on a one-off basis or as part of a series, league, or competition, sanctioned or organised by the VTPC.

Athlete means a person who is registered to participate in competition.

AIS Sports Science Sports Medicine Practitioner Minimum Standards mean the mandatory minimum standards for sports science and sports medicine staff and Contractors engaged to deliver services in those disciplines as published and amended by the Australian Institute of Sport (AIS) from time to time.

Club means any club that enters a Team to participate in an Activity.

Complaints, Disputes and Discipline Policy means the policy adopted by VTPC for the handling and resolution of allegations regarding Prohibited Conduct.

Contractor means any person or organisation engaged to provide services for, or on behalf of, a Relevant Organisation. This includes agents, advisers and subcontractors of a Relevant Organisation and officers, Volunteers, and agents of the Contractor or subcontractor.

Health Professional means a person who is listed as a health professional with the Australian Health Practitioner Regulatory Agency.

Health Professional authorised to administer injections means a Health Professional who is permitted under their registration and scope of practice to perform an injection. This may include Medical Practitioners, pharmacists, dentists, nurses and paramedics currently registered with the relevant professional board in that field.

Medical Practitioner means a person registered in the medical doctor category by the Australian Health Practitioner Regulation Agency.

Medications include substances that are classified by the Therapeutic Goods Administration (TGA) as a therapeutic good (listed under Schedules 1-8 of the current Commonwealth Poisons Standard, which are ingested, infused, inhaled, injected, inserted or absorbed by the human body. They may take the form of pills, tablets, capsules, liquids, creams, gels, injectable liquids, sprays, adhesive patches, infusions, inhaled powders, vapours or liquids, pessaries, or suppositories.

Member means is a skydiver who is a member registered with the Australian Parachute Federation with in the Victorian Tasmanian Parachute Council Area

National Integrity Framework means the National Integrity Framework as developed by Sport Integrity Australia and consisting of the following five policies:

(a) Safeguarding Children and Young People Policy;

(b) Competition Manipulation and Sport Gambling Policy;

(c) Improper Use of Drugs and Medicine Policy;

(d) Member Protection Policy; and

(e) Complaints, Disputes and Discipline Policy.

Participant means:

(a) Athletes;

(b) coaches appointed to train an Athlete or Team in a Relevant Organisation Activity;

(c) officials including referees, umpires, technical officials, or other officials appointed by a Relevant Organisation, or any league, competition, series, Club or Team sanctioned by a Relevant Organisation;

(d) support personnel who are appointed in a professional or voluntary capacity by a Relevant Organisation, or any league, competition, series, Club or Team sanctioned by a Relevant Organisation including sports science sports medicine personnel, team managers, agents, selectors, and Team staff members.

Policy means this Improper Use of Drugs and Medicine Policy and any appendices.

Possession means the actual, physical Possession, or the constructive Possession of a drug or psychoactive substance[1].

Prohibited Conduct means conduct proscribed at clause 4 of this Policy.

Prohibited List means the 'World Anti-Doping Code International Standard Prohibited List' as amended from time to time.

Prohibited Supplement includes a Category D Supplement within the AIS Sport Supplement Framework.

Relevant Athlete means:

(a) International-Level Athletes – which means Athletes who compete in sport at the international level, as determined by each International Federation, consistent with the International Standard for Testing and Investigations;

(b) National-Level Athletes – which means:

i. an Athlete in the Sport Integrity Australia Chief Executive Officer's Registered Testing Pool, National Testing Pool or Domestic Testing Pool; or

ii. an Athlete who participates in, or prepares for, a sporting event or sporting competition declared under clause 1.05A of the National Anti-Doping scheme and published on the Sport Integrity Australia website.

Relevant Person means any of the following persons:

(a) Individual Member;

(b) Participant;

(c) Contractor;

(d) Volunteer; or

(e) any other individual who has agreed to be bound by the National Integrity Framework and/or the Relevant Policies.

Relevant Personnel means an individual who directly works with Relevant Athletes in the following capacities:

(a) Coaches;

(b) Medical Practitioners;

(c) Officials;

(d) Sports science sports medicine personnel;

(e) Support personnel; and

(f) any other person who has agreed to be bound by this Policy (other than an Athlete).

Relevant Organisation means any of the following organisations:

(a) Victorian Tasmanian Parachute Council; or

(b) Any other organisation that has agreed to be bound by the National Integrity Framework and/or the Relevant Policies.

Serious Drug Offence means an offence under a Commonwealth, state or territory law that prohibits the Possession or Trafficking in a drug or psychoactive substance.

Skydiving means the sport of skydiving as governed by the Australian Parachute Federation.

Supplement includes single or multi-ingredient product in powder, limited volume liquid, pill or capsule form providing nutrients or other dietary components to achieve a specific health and/or performance benefit.

Team means a collection or squad of Athletes, registered with or entitled to participate in an Activity.

Traffic/Trafficking means selling, giving, transporting, sending, delivering or distributing (or Possessing for any such purpose) a drug or psychoactive substance (either physically or by any electronic or other means) by a Relevant Person to any third party; provided, however, this definition shall not include the actions of a "bona fide" Medical Practitioner involving a drug or psychoactive substance used for genuine and legal therapeutic purposes or other acceptable justification.

TUE or **Therapeutic Use Exemption** means an exemption that allows an Athlete to use, for therapeutic purposes only, an otherwise prohibited substance or method (of administering a substance).

Volunteer means any person engaged without wages or remuneration.

Any capitalised term not defined in this Policy has the meaning given to it in the Complaints, Disputes and Discipline Policy.

3. Jurisdiction

This Policy applies to:

(a) Relevant Persons (including Relevant Athletes and Relevant Personnel); and

(b) Relevant Organisations.

4. Prohibited Conduct

4.1 Prohibited Conduct of Relevant Persons

(a) A Relevant Person commits a breach of this Policy when they:

i. facilitate, administer, assist, aide, abet, encourage, induce, cover up or are in any way complicit in a breach of subclauses 4.1, 4.2 or 4.3; or

ii. provide a Relevant Athlete with prescription Medication or over the counter Medication in an unlawful manner.

4.2 Prohibited Conduct of Relevant Athletes

A Relevant Athlete commits a breach of this Policy when they:

(a) use, possess or distribute prescription or over the counter Medication in an unlawful manner; or

(b) possess hypodermic needles or other injection equipment, unless the individual's possession has been authorised by a Medical Practitioner; or

(c) self-inject any substance unless authorised to do so by a Medical Practitioner for a Permitted Purpose under this Policy; or

(d) allow any person, other than a Health Professional authorised to administer injections or authorised carer[2], to administer an injection to them, for a purpose other than a Permitted Purpose under this Policy.

4.3 Prohibited Conduct of Relevant Personnel

A Relevant Personnel commits a breach of this Policy when they:

(a) possess any hypodermic needles or other injection equipment[3], unless the individual is a Health Professional authorised to administer injections or authorised carer for the Relevant Athlete; or

(b) administer an injection to a Relevant Athlete unless the individual is a Health Professional authorised to administer injections or an authorised carer for the Relevant Athlete; or

(c) administer an injection to a Relevant Athlete for a purpose other than a Permitted Purpose under this Policy; or

(d) supply or provide a Prohibited Supplement to a Relevant Athlete.

4.4 Permitted Purpose

(a) A Permitted Purpose under this Policy is only where an injection is medically required for:

i. vaccination purposes; or

ii. treatment of a documented medical condition; or

iii. investigation of a suspected medical condition.

(b) The possession and use of needles for the purpose of acupuncture, dry needling and management of blisters and splinters are not considered injections. They are permitted under this policy and would not constitute a breach.

5. Reporting and Complaints

(a) Allegations of Prohibited Conduct under this Policy should be submitted to chair@vtpc.org.au.

(b) Allegations of Prohibited Conduct under this Policy will be managed in accordance with the VTPC Complaints, Disputes and Discipline Policy.

6. Other Matters

6.1 Education

(a) To prevent breaches of this policy, build positive behaviours in sport and protect participants from the threat posed by the improper use of drugs and medicines, the VTPC is responsible for providing Relevant Persons with communication of and access to the content and subject matter of this Policy.

(b) The Relevant Organisation may, from time to time, direct certain Participants to undertake education, which will be relevant and proportionate to their level of participation in VTPC Activities and the associated integrity risks.

(c) Sport Integrity Australia has developed a range of education resources and training material to support the National Integrity Framework which can be found here.

[2] Carers who are not the Relevant Athlete's parent or guardian must still obtain prior consent from a parent or guardian where required to do so by law or policy, including under the Safeguarding Children and Young People Policy.

[3] The possession and use of needles for the purpose of acupuncture, dry needling and management of blisters and splinters are not considered injection equipment. They are permitted under this Policy and would not constitute a breach.

6.2 Information sharing

Subject to the *Privacy Act 1988* (Cth), Relevant Organisations may share information they receive relating to the improper use of drugs and medicines with Sport Integrity Australia to enable Sport Integrity Australia to effectively perform its functions, including its anti-doping functions.

6.3 Interaction with anti-doping

(a) The Australian National Anti-Doping Policy or an applicable World Anti-Doping Code compliant anti-doping policy (**ADP**) will prevail to the extent of any inconsistency with this Policy in all instances. Any allegation relating to a breach or possible breach of the Australian National Anti-Doping Policy (**ANADP**) or other ADP will be dealt with under that policy.

(b) There is a risk that the lawful prescription, administration and use of drugs, medications and supplements may amount to a contravention of the ANADP or other ADP.

6.4 Patient confidentiality

For the avoidance of doubt, nothing in this Policy shall operate to override the patient confidentiality requirements of professional ethics for health practitioners registered with the Australian Health Practitioner Regulation Authority.

6.5 Lifesaving medical treatment

For the avoidance of doubt, lifesaving medical treatment should not be withheld. Provision of lifesaving medical treatment will not constitute a breach of this Policy.

7. Action Taken

Any Relevant Person who, or body that, without reasonable cause, fails to promptly report a conviction of a Serious Drug Offence, or conduct that is likely to be Prohibited Conduct, or facilitates or is complicit in a breach of the policy, may be excluded from all Activities.

Appendix A: Best Practice Principles

1. Sport science and sport medicine personnel

Relevant Organisations should, in the sports science and sports medicine fields:

(a) where an individual will be working with Relevant Athletes in the sports science and medicine fields, only employ or engage) individuals who:

i. comply with the AIS Sports Science Sports Medicine Practitioner Minimum Standards; or

ii. are registered with the Australian Health Practitioners Regulation Agency (for example as a Chiropractor, Nurse, Osteopath or Paramedic),

and do not have current restrictions in place on their practice;

(b) employ or engage such individuals under a written document, which must incorporate compliance with the AIS Sports Science Sports Medicine Practitioner Minimum Standards as an obligation imposed on the relevant individual; and

(c) ensure that educational or vocational qualifications, or applicable professional registrations, of all such individuals are verified, checked and recorded on commencement and at the expiry/renewal of a specific requirement.

2. Medication

(a) Relevant Athletes should refer to the Global DRO website or the Sport Integrity Australia App to assist them to determine whether Medications (prescription and non-prescription) are permitted for use in sport, have conditions associated with their use in sport or are prohibited. Medications with conditions or which are prohibited may be able to be taken if a TUE is sought and granted.

(b) The Relevant Organisation should direct all Relevant Athletes to determine if they need an in-advance or retroactive TUE by referring to the Sport Integrity Australia website or App. Once determined, the Relevant Athlete should comply with the relevant requirements.

(c) Relevant Athletes should notify the person nominated by the Relevant Organisation when Medications have been provided/prescribed by a Medical Practitioner not appointed by the Relevant Organisation.

(d) Relevant Athletes should not use expired Medication.

3. Injections

(a) The VTPC does not administer injections or register self-injections.

4. Supplements

(a) No supplement is free from anti-doping risk. In particular, Prohibited Supplements present a risk to athlete health and integrity and may also lead to a breach of a relevant anti-doping policy.

(b) VTPC recognises that Dietary Supplements may be taken by Relevant Athletes and is committed to establishing a best practice approach and documented procedure for the use of Supplements, with a focus on safety and evidence-based use, given the risk that Supplements may contain substances included on the Prohibited List.

(c) VTPC acknowledges the value of accredited third-party auditing programs to reduce the risk of Supplements containing substances included on the Prohibited List. VTPC warns that there is no guarantee that any Supplement is free from prohibited substances, despite any claims made by Supplement manufacturers or clearance by third party auditing companies.

(d) VTPC adopts the AIS Sport Supplement Framework, which classifies Supplements into four categories according to their effectiveness, safety and current status on the Prohibited List.

(e) Supplements should only be used by Relevant Athletes in accordance with:

i. this Policy; and

ii. any documented requirements for the use of Supplements, as adopted by the Relevant Organisation from time to time.
